## STATEMENT ON CORONA VIRUS

Ladies and Gentlemen, Dear Customers,

In connection with the crisis situation caused by the COVID-19 virus pandemic, we would like to inform you that PLASTMOROZ has performed a threat analysis. Based on its results, appropriate preventive measures were taken to reduce internal and external risks, also based on the implemented BRC Packaging system procedures for product hygiene and safety.

Our internal team appointed to carry out the audit, applied and implemented new internal PROCEDURES increasing the safety of work, production, delivery and shipments.

The above-mentioned team has prepared an action plan in the event of an emergency. We have constant contact with our suppliers of raw materials. Orders are carried out in accordance with the production plan. We do not anticipate a break in supply continuity.

We remain determined to ensure the highest standards of our products in terms of product safety above all.

With respect

*Przemysław Moroz*
